

MEDINA COUNTY TEMPORARY HYDRANT PERMIT

PERMIT NO. _____

HYDRANT LOCATION: _____

PURPOSE FOR HYDRANT USE: _____

INTENDED DURATION OF USE: _____

This hydrant will be metered and bills for the water used at the current rate will then be forwarded to the address provided below. Hydrant meters will be removed when the possibility of freezing starts. I understand that this permit is issued for my benefit and may be revoked at any time without notice. I further understand that the only valve that may be operated is the 2-inch installed by Medina County Sanitary Engineers. I will be responsible for any damage to the meter, hydrant, chain, lock or water system. The water obtained from this hydrant is intended for beneficial use and shall not be wasted.

This meter may be moved up to 3 times with a minimum of 48 hours notice without charge. If meter needs to be moved more than 3 times you will be charged for time and material for each move.
